

‘Escalate’ 550 Series Climber

Smart StepHeight

Intenza's Smart StepHeight technology means users can choose between 20 unique step-height options.

InCare 2.0

InCare 2.0 provides proactive machine diagnostics via Wi-Fi connection, allowing real-time updates and alerts.

Eco-Friendly

Produced with our planet and our employees in mind, the Escalate 550 Series Climber meets ErP standards and gives peace of mind to end users and facilities alike.

- MYE Club TV Audio Kit (optional)

Workout Options

- ▲ Race
- ▲ Fitness Test
- ▲ HR Programs
- ▲ Custom Programs
- ▲ Preset Programs
- ▲ Target Programs
- ▲ Quick Start

Product Dimensions

- ▲ Dimensions (LxWxH): 196x86x212 cm (77x34x83 in)
- ▲ Product height at 40-degree incline: 234 cm (92 in)
- ▲ Ceiling height minimum: 270 cm (106 in)
- ▲ Shipping dim. (LxWxH): 220x96.5x163.5 cm (86.6x37.9x64.3 in)
- Product net weight: 331 kg (729 lbs)
- Shipping gross weight: 427 kg (940 lbs)
- Product net weight: 331 kg (729 lbs)
- Shipping gross weight: 427 kg (940 lbs)

Performance Features

- ▲ 16-180 SPM range(Speed per minutes)
- ▲ 20-40 degrees incline angle
- ▲ 10.4 cm (4 in) - 19.6 cm (7.7 in) adjustable step height
- ▲ 31 cm (12.2 in) step-up height
- ▲ 54 cm (21.2 in) step width
- ▲ 26 cm (10.2 in) step depth
- ▲ Generator braking system
- ▲ Safety stop sensor

ComfortFit™ Features

- ▲ Spacious cockpit
- ▲ Ergo bar control center
- ▲ Stick shift incline control
- ▲ Quick access speed keys
- ▲ Quick access incline keys
- ▲ Accessory holder
- ▲ Water bottle holders
- ▲ Max User Weight: 181kg (400 lbs)
- ▲ User height range: 147 cm (4'9") to 193 cm (6'5")

Connections

- Wi-Fi
- Ethernet
- Bluetooth headphone support
- TV input
- HDMI input
- Headphone jack
- ▲ USB connectivity
- ▲ C-SAFE (TCPIP/RS232) connectivity
